About Me

Intend to work in a challenging and competitive environment where a strong sense of responsibility and commitment is required, and the workplace provides potential avenues for learning and growth. I like to work honestly with honest people because honesty is the best policy, and that's why I want this opportunity. I have over 1 year of experience as a Front End Developer specializing in Shopify.

Work Experience

Aug 2025

Softvence Agency, Dhaka

Front End Developer (Shopify)

- Designed and customized Shopify websites based on client requirements
- Identified and resolved front-end design and functionality issues
